FOREWORD

The features of the NEW BEDFORD DIRECTORY for 1905 which were new last year and in some cases represented quite radical changes, have been very generally approved and are therefore continued in this the thirty-eighth volume

The new department containing a record of Automobile Owners, Horse Owners, Births, Marriages, Deaths, etc. is continued and in time will be most valuable for reference. The membership of the various clubs is corrected and the late rules and regulations of the Post Office Department are given in a convenient form for ready reference

The enterprise and continued success of New Bedford business men is evidenced throughout the book. The increase of names in general directory over 1904 1702

Respectfully,

W. A. GREENOUGH & CO.

STREETS, COURTS, AVENUES, ETC

Giving the location of each street and showing streets running from or across, with the number at intersection.

The streets of New Bedford, with few exceptions, are laid out north and south, and east and west. Those running north and south number at Union street, and increase each way, with the even numbers on the east and the odd numbers on the west side. Those running east and west begin to number at the river, and increase westerly, with the even numbers on the south and the odd numbers on the north side. The letter S enclosed by parenthesis, which follows the name of any street, signifies the general bearing of such street from City Hall. Thus School street (S) is south from the City Hall.

To start from the beginning of each street READ UP.

LOCALITIES OF INTEREST IN AND ABOUT THE CITY.

ACUSHNET. This is a village usually known as the Head of the River, about three and a half miles in a northerly direction from the City Hall. The westerly part is in New Bedford, and the easterly part in Acushnet. Pine Grove cemetery is near the village. The post office is in New Bedford.

BELLEVILLE. This name was many years ago given to a spot on the bank of the Acushnet river, about one mile south of the Acushnet village.

BROOKLAWN PARK. Acushnet ave. near Howard ave.

BUTTONWOOD PARK. End of Court.

CANNONVILLE. A portion of the westerly part of the city, in the neighborhood of the meetinghouse on the Smith's Mills road, is known by this name, thus called in honor of one of our deceased citizens, whose labors in behalf of the people there will long be remembered.

CITY COMMON. This beautiful spot is in the north part of the city, and is bounded by County, Purchase, Pope and Pearl streets. A very handsome monument, erected by the city, at a cost of about \$13,000, as a memorial to the soldiers and sailors who lost their lives during the war of the Rebellion, is located here.

CLARK'S POINT. This point forms the southerly part of the city. It has the waters of the Acushnet river on the east, and of Clark's Cove on the west. Its length is about two miles. At its southerly extremity on the river side is a large tract of land belonging to the United States; at the extremity of the point is Fort Rodman. Around this point, a distance of about four miles, is a road not surpassed by any public drive in

this country. It is called East and West French avenues, commencing at Cove street and follows the shore thence along the western, southern and eastern boundaries of the point, until it terminates in the street, where it has its beginning. It is eighty feet wide, smooth and level, and in its course commands a series of views of surpassing loveliness and beauty. The cove, the bay, the river, the shores, the islands and ledges, the lighthouses, steamers and sailing craft of every description, the city on the one side, its sister town of Fairhaven on the other and the noble bridge between, constitute a series of views which render a ride or a walk over this road most delightful and attractive. The City Farm and Almshouse is located on Clark's Point.

CLIFFORD. A settlement with a post office of the same name about three miles north of Acushnet.

CRAPO PARK. On Hickory, Ward and Clay streets. Not officially named, and subject to change.

DOG FISH BAR. The collection of houses near the foot of Coggeshall street is often called by this name, which designates a shoal in the river near by. A bridge crosses the river at this place for Fairhaven.

"DOWN TOWN." The section bounded by Union, Sixth, Elm and N. Water streets may be regarded as the business centre.

FOUR CORNERS. The space formed by the intersection of N. Water, S. Water and Union streets. This has been a somewhat noted spot in our local history. Near this was erected the first village house, and it was long regarded as a business centre.

GERMANTOWN. The vicinity of Church street, first settled mostly by Germans.

HOWLAND VILLAGE. End Bolton road and Orchard street, S. This is a very creditable village of houses owned by the Howland Mills Corp.

JESSEVILLE. Part of Mt. Pleasant and its eastern slope, near Ashland and Linden streets. Named for Jesse Reynolds, a former resident.

KENERSONVILLE. West of Purchase street, from Clark, to Cedar Grove street. Named for one of the first settlers.

MARSH (THE). The low district east of S. Water and south of Howland street.

MOUNT PLEASANT. That portion of our city known by this name is in the northwest part, commencing at Robeson street. Here are some beautiful private residences, and the view which includes the river, the harbor, the bay, and adjoining shores, villages and islands, is one of the finest in the country.

NORTH END. Purchase street, north of the Common. Since 1878 has become an important business locality.

OAK GROVE CEMETERY. Parker street, beyond Park, in the west part of the city, containing 26 acres. A pretty well kept place.

RIVERSIDE PARK. Foot of Phillips ave. next Acushnet river.

RIVERVIEW PARK. On Acushnet ave. south side of Nash road.

ROCKDALE. Is about one mile north of Cannonville, on Rockdale avenue. The only quarry of any size near the city, is located here.

SHAWMUT. This is a small village located four miles northwest of City Hall. Evergreen Trotting Park is located here. Until the recent establishment of its post office, it was known as Plainville.

SMOKING ROCKS. A rocky point on the river near Palmer's Island, where it is said the Indians held council fires. Now on the Potomska Mill premises.

TOBEYS POND. A beautiful sheet of water of about 60 acres, in the extreme northern part of the city. Its surface is 92 feet above the level of the city. Sometimes called Sassaquin's pond, from an Indian who lived near it.

TURNERVILLE. Vicinity of Shawmut ave. and Durfee street. Named for an early settler.

WINTERVILLE. The name given to a small collection of houses at the west of Rural cemetery, on Winterville road. At one time this was quite a flourishing settlement, but is stated to be about one half as large as it was in 1868, owing to the lack of road communications. Added to New Bedford from Dartmouth in May, 1888.

WOODLAWN. The name generally given to Sears Grove, on French ave. half a mile south of the Orphan's Home.

The last rose of Summer's
A silly pretense,
It blooms in a hot house
For twenty-five cents.
It blooms all the winter,
No room for a doubt,
And that is where science knocks poetry
out.

Snow's fine Headache Powders,
Like Summer's last rose,
Are sold winter and summer,
And there's plenty that knows
Of their virtue. They've had recom-
pense

For they've purchased a package
For TWENTY-FIVE CENTS.

Come in, get a package,
Cure your aches (if you take it),
Then write Snow a letter,
Advising to make it,
For brain work is hard work,
Of this there's no doubt,
And this is where science knocks poetry
out.
